

Quick Start Guide

Oregon's [Transformative Social and Emotional Learning \(SEL\)](#) page on the Oregon Instructional Frameworks website offers a wide range of resources designed to introduce key Framework concepts and support integration across educational ecosystems. Whether you are taking initial steps to familiarize yourself with the key concepts or seeking to use these resources to support others' professional learning, this Quick Start Guide is your entry point. Below, you will find an overview of new resources, along with suggestions for who might find them helpful.

Classroom Educators	Professional Learning Facilitators	School and District Leaders	Community Members
Teachers, paraprofessionals, special educators	Instructional coaches, professional learning providers	Principals, district leaders, teacher leaders, student support staff	Families, caregivers, librarians, community organization staff
